About the Awards...

The *LINC Awards* recognize Leadership, Innovation, and Nutrition Collaboration by individuals, organizations, or groups working with the Food and Nutrition Service Programs. Awards are given in three individual categories.

Excellence in Practice – for projects that demonstrate excellence and use of evidence-based approaches in the planning, developing and implementing of nutrition interventions focusing on FNS target populations.

Nourishing Tomorrow’s Nutrition Leaders and Practitioners – for excellence in recruitment, training, or retention of personnel in the field of nutrition, with special emphasis on public health and community nutrition.

Partnerships and Collaborations – Synergy for Excellence – for projects that use collaborative methods and integrated approaches in planning, developing, and delivering nutrition education involving multiple FNS programs.
